Sue Shain

The 1997 Yearbook is not only being dedicated to the very appreciated cafeteria workers, but also to the very dedicated Susan Shain.

Sue Shain, when she was Director of Student Activities, was one of the most exceptional people in Fisher College. She constantly dealt with things from taking student photo I.D.'s to the Fisher Flash newsletter. She not only reminded people about the deadlines of these events, but also planned and coordinated them.

What stands out about Sue Shain is that she cared a lot about the social aspects of our college life. This should be highly respected and recognized. Just for example, it she hadn't been involved in the Holiday Ball, the F.I.R.S.T. program, the overnight weekend trips, and all the parties, then we wouldn't remember college as a high point in our lives.

There is so much more we could say about Sue Shain. We have respected her as an adult and staff member and as a friend to talk to who has listened to anything that we might have had on our minds. That is so important.

Sue, we would now like to thank you for all your hard work, time, patience, and friendship. You are a kind and caring person who will be appreciated wherever you go as you leave Fisher. We love you and thank you. Keep up your best work as you move on. We'll miss you!

SAGE Dining

A dedication is set apart for a purpose—as an honor or reward. It can also be given to someone as a compliment. This year the students felt it was a unanimous decision that the cafeteria staff be nominated as the honorees, for all their hard work and dedication to the school and its students.

This group of friendly, warm people led by Mark Blakely, have helped us make it through the year by providing us with good hot meals. They not only provide us with regular breakfasts, lunches, and dinners, but also give us special treats such as the Mexican Fiestas, Thanksgiving dinner, and Holiday Luncheons Dinners when the staff serves the students, are all held in Auditorium I and laced with all the trimmings.

The Cafeteria is a place where you can go and relax, talk, and eat just about anything you want. You can also feel comfortable and enjoy your meal as though you are in your own home . . . . . .

The lovable Lisa and Lena.

Dinner's coming!

Almost ready!

. . . . . So we would like to sincerely thank the Director of food services, Mark Blakely and the entire Sage Dining workers-Peter Morin, Lizandra Villalobs, Arthur Trottier, John Roche, Lenora Alford, Lena Cahill, Roger Golling, Merralee Morrison, David Almeida, Somner Aurelien, Edme Dazulma, Nextan Colas, Wilfredo Villalobos, Terri Johnson, Darle Carter, Jose Cruz-for preparing our meals, cleaning up after us, and for answering all of our questions. Once again, Thank you and keep up the good work.

Yearbook Staff

To the Graduates:

You hold in your hands the 1997 Yearbook. Our theme is 'A Year of Class'. Probably we should have entitled it 'Two Years of Class' to show how special the Fisher experience is, and will remain, in your life.

The staff, under the able guidance of co-editors Lucy Santiago, Nikia Burgess and Erika Dominguez have worked long and hard to create this memory book for you. I think they have done an outstanding job.

We hope you enjoy its pleasures and treasures now and many times throughout the years.

Sincerely,
Martha Scott

Commuters Club

The Commuters Club is open to all Fisher students. President Wendy Gordon and Vice President Cathy Morrison have helped Advisor Karen Myers plan a variety of opportunities for club members. These include field trips to the author series at the Boston Public Library and the political speaker series at the JFK Library. Of course, the West Point weekend was a real highlight of the year. In addition, commuters have stayed overnight in dorms in order to be in study groups and have joined dorm students in their dining hall. And in this election year, the club sponsored a political rally and assembly featuring representatives of the senatorial candidates and the two presidential candidates. What a full year!

Front row: Janice Taylor, Sonia Tessier, Myla Acquaviva, Keesawn Wiggins, Jean Larson, Jill Malinouskas, Shannon White, Yuka Hiraga, Aiko Torii. Back row: Stephanie Barros, Sara Slisz, Heather Cormier, Brenda Myrshall, and Kim Briggs.

The West Point Weekend Bus Trip left on November 9th with 17 girls and RD Kim Briggs for three days of fun and new experiences. The bus ride lasted four hours in which they watched movies. Once they arrived, they walked around to get a feel for the atmosphere, then they met the cadet who gave them a tour. Before the dance, some people attended a rugby game, others went downtown, and still others rested in their rooms. The dance began at eight p.m. It was interesting and fun to meet and get to know the cadets. And I guess the cadets had fun, too, because four of them came to visit Fisher after that weekend.

Volunteer/Community Service Club

The Volunteer/Community Service Club is for all students interested in making a difference at Fisher and in the Boston community. The most successful project the club under takes is the clothing drive for Rosie's Place, a shelter for battered and displaced women. A box placed in the mall area was overflowing in a very short time with donations from many caring people. Two deliveries were made to Rosie's Place and the club members decided to also donate clothing to another charity.

The other major effort of the club is to establish a paper recycling program in the spring. Advisors Kathy Durr and Debby Eliezer thank all members of the community who shared time and skills to make this a great year.

Phi Theta Kappa

Phi Theta Kappa is an honor society for students at two-year colleges. Members are chosen for their high academic achievements and they are recognized at a ceremony every December.

This year on December 13th, fifteen new inductees joined Member Kelly-Ann Flynn and were presented PTK keys by Dean Maureen Evans. Other notables attending the program were Advisor Leonard Long, President Christian Fisher, faculty, and parents. The speaker was Ms. Kathy Bowler, Executive Director of the Council of Aging, Holyoke, MA.

The new members received keys, certificates, and candles. Afterwards, all celebrated at a tea.

Front row: Xuyen Bach, Mayeli Moreno, Gina Ciampa, Thais Santoro, Junko Shibuya. Middle row Yukako Nii, Dana Megna, Bethany Tritto, Sarah Carey. Back row: Venessa Paxson, Jill Malinouska Elissa Siegel, Colleen McCormick, Amy Flynn, Lindsay Reilly. Missing: Kelly Ann Flynn.

The Athletic Club

The Athletic Club under the advisorship of Nancy Jensen is open to all those interested in sports and exercise. The Fall hike up Mt. Wachusett was an invigorating work-out on a beautiful Saturday. Another hike is planned for the Spring. The club hopes to offer a ski trip and volleyball game. In addition, club members are supportive fans at the Fisher Falcons games. Also, Fisher joggers have run together along the Esplanade. The club invites everyone to join in and keep moving!

The Intercultural Club

The Intercultural Club is for all students interested in learning about other cultures within their community and in the Boston area. The club, with Advisor Debra Eliezer, plans trips to cultural and educational sites as well as planning events on campus. Visits to the Boston International Festival, Historic Salem, and a Kabuki Theater and Karaoke Theater are some events planned. In addition, on campus there will be an international food night and an international student party.

Fisher Falcons

The Falcons were off to a great start in October playing scrimmages against Northern Essex and Roxbury Community Colleges. Later opponents included Simon Rock, Landmark, Bradford, Wheelock, Lasell, Lesley, and seven other colleges. Home games were held at the Winsor School. The 22-game schedule was planned to give the Falcons a chance to test their talons.

Performing Arts Club

The Performing Arts Club, new at Fisher this year, offers students interested in music, dance, and theatre the chance to perform, to attend performances, and to meet other students with similar interests. The Performing Arts Club plans to showcase members' talents by presenting a talent show in the spring, according to Advisor Sheri Ziccardi.

President's Message

Dear Students,

It has been a pleasure to be a part of your life here at Fisher College. It is amazing how much happens during the two short years you are at Fisher.

You began as a mixed group of students from different backgrounds, different high schools, different interests, and different parts of the world. In the beginning, your class had few common characteristics except the desire to come to Fisher College in Boston and to be successful. Then slowly from your orientation week, to being in classes together, in Paris and throughout the year, a mixed bag of students became a class. As a class, you met each other, studied together, explored Boston together, celebrated the highs, commiserated the lows, and perhaps, shared your dreams of success. You tried hard, learned many things and, in the process developed a common thread of experience as a class here at Fisher.

You have accomplished much in your college experience. You gained new knowledge and developed new self discipline to study and to persist in your work no matter how intimidating it may be. Wherever this letter finds you in the future, remember this. As you confront new challenges and new experiences, the same determination that brought you through college will be essential to meeting your new goals. The same spirit of adventure that said, "Let's try it." is essential to your continued development. The same ambition that propelled you through your college year or to a degree is essential for you to reach higher and higher goals. Remember your wonderful experiences at Fisher College, but also remember that the lessons you learned here will help you face even the most difficult challenges in your life.

On behalf of the staff and faculty, I wish you the very best. If you ever find yourself near Beacon Street, please don't hesitate to stop in and say hello.

Sincerely,

Christian C. Fisher

Vice President's Message

Congratulations to the Class of 1977.

You are truly a "Year of Class".

You have made the grade by earning your degrees. You now hold a new rank in society. You are college graduates taking your place amongst the learned men and women in the world. You are a group of women possessing the same characteristics; positive characteristics that will mold your future, your careers, and your families.

Your two years at Fisher College have not only given you class in society, but helped develop you into women who will make a difference.

Be proud, be confident, and most of all, let your best years at Fisher College influence the rest of your life.

Dean's Message

To The Class Of 1997

Webster gives us a number of different meanings for the word class: "a body of students meeting regularly to study the same subject" or "a course of instruction" or "a group, set, or kind sharing common attributes." But it also defines class as: "high quality."

In coming to Fisher College you set for yourselves high expectations and, as your graduation testifies, you have achieved them. You have learned together, lived together, struggled together and conquered together. Because of the common attributes that you share, because of the years of learning, giving, caring, struggling—and winning—you will be better able to bring to your own lives and to the lives of others that same ability to set high goals and achieve them.

The high quality of your past achievements and the promise of future accomplishments mark the Class of 1997 as indeed a Class of Class!

ATHENS

"It was much more modern than what I had expected. We were expecting the whole country to be ancient and the food to be just Greek. I was happily surprised at how cosmopolitan it was."

"I liked when we all went to the Greek restaurant together and saw the show of music and dancing. The costumes were beautiful."

"It was a great experience to travel with a whole bunch of girls from my school."

"A certain scene stays in my mind: a lone tree of an unusual shape on a hilltop. I'll never forget it."

"The islands were very pretty with few cars and lots of those little scooters zooming around. I remember the pebbly sand on the beaches. The water was crystal blue and very salty and cold."

"The Greek men were very forward."

"I felt like I was rich because $200. was exchanged into thousands of drachmas."

"The weather was very warm and sunny. I really liked the island tour and the clubs."

INSPIRATION '96

'Inspiration' was the theme of the 1996 Fashion Show held in March at the Westin Hotel. The show was produced and directed by students in the Fashion Merchandising Program with assistance and advice from Ms. Teresa Howe, Program Director.

The fourteen scenes highlighted the creations of local designers including Eddie Kent, whose showstoppers were Barbie Doll-inspired outfits of the past and present. Other designers represented by superb clothing were Faith MacFarland, Kim Haigh, and James Mason.

Spring lines from Ann Taylor, Go West, Gap, Contempo Casuals, Hit or Miss, J. Miles, and our own Fisher College Bookstore were displayed by our student models moving to contemporary music.

The Fashion Show involves a tremendous amount of effort from all involved, especially Mrs. Howe. Their reward was a beautifully coordinated performance enjoyed by all.

Hey, what's up girls?

Let's join them!

The pool party was held on September 3, at 4:30 p.m., on the roof top of the Colonnade Hotel. It was a gorgeous day and everybody was enjoying the atmosphere talking with friends, grooving to the music and of course enjoying the water. It was also a hot day so it felt good to get into the water and cool off, then come out and enjoy the delicious arrangement of food. Relaxed and tanned, everyone enjoyed themselves before the beginning of the new school year.

Huhhhhhhh!

Feels so good!

Provincetown Cruise

One September Saturday morning about thirty students took a cruise from Boston Harbor to Provincetown. They left early for the three-hour boat ride. It was a cold and blustery day. The water was a bit rough.

Around noon they arrived in Provincetown to spend the next few hours exploring the quaint little town. A few climbed the Monument. Some ate seafood and tried Portuguese delicacies. Others shopped in the boutiques and chewed salt water taffy. Many visited the art galleries to admire the seascapes. Everyone enjoyed people-watching. Provincetown is famous for its unique residents.

Sightseeing in Provincetown is a trip worth taking.

White Water Rafting

The rafting trip to Maine is always a popular event. Some people who went last year couldn't wait to try it again. The bus ride was long, but the scenery in Maine was worth it.

Rafting on rapids, floating in the water, and kayaking were the activities of the weekend. The evening was spent relaxing in the lodge. This trip was a major highlight of the year.

Salem Witch Museum

On October 19th, the Intercultural Club, along with Advisor Debby Eliezer, set out for a trip to Salem to visit the historical monuments and sites and to absorb the atmosphere. It was a clear day, but windy and cold.

They saw the Witch Museum, the Haunted House, and some pertormers on the street. There was also a beautiful view of Salem Harbor that you could lose your thoughts in. Apart from the sights and the harbor, there were witch psychics available to read your palm or tell your fortune. After a full day, they left for home in the Fisher van.

Spooky World

One night in late October about 26 people boarded the bus for Spooky World in Berlin, NH. Spooky World is like a carnival complete with a haunted hayride and six haunted houses. In addition, there were games, food booths, and little kids wandering around in costume with their parents. The atmosphere was frightening because costumed ghouls wielding chainsaws and other monsters would sneak up on you without warning. All in all, it was an evening of terror, surprises, and fun.

Hallowe'en Party

Fisher's annual Hallowe'en party was held on October 31st in the Auditorium. It started about 9 p.m. with students arriving dressed in various costumes ranging from mummies to ninjas. The Auditorium looked very festive, decorated with black and orange balloons and streamers along with pumpkins, skeletons and lots of food. People mingled, danced to the d.j.'s music, and enjoyed the delicious food. Later there was a contest with three winners. In first place was Kelly Thibeault as a scarecrow. Second place was taken by Lina Munoz and Jilleen Organ dressed as mummies. The third place winner was Amanda Forrest.

Family Day: Brunch and Theatre

Saturday, November 16th, was Family Day. Families came to the college for an informal brunch in the dining hall. This was followed by a theatre party at the just-renovated Shubert Theatre. The matinee performance was Jonathan Larkin's 'RENT'. The Tony Award-winning musical was incredible. Many of us felt that we would never forget this event. The audience gave the actors a standing ovation.

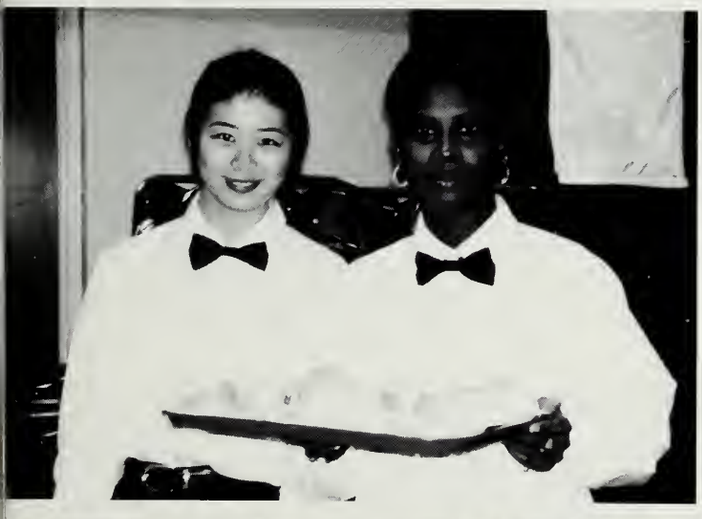
TH 105's Paris Trade Show

The Principles of Meeting Management class presented a Paris trade show on December 3rd to honor the FIRST program's trip in March. This was the Final Project for TH105, a course taught by Ms. Nancy Pithis. The trade fair took place in Auditorium I and II, which were decorated with a cafe on the stage and trade booths along the two side walls of the main floor, all staffed by class members. The cafe waiters/students wore tuxedo shirts and black pants and carried large round trays filled with bread and cheese and "wine".

The purpose of the fair was to disseminate the class's research about life in Paris. Handouts on how to get around, shop, enjoy the night life, and choose a restaurant, among other topics were available. At the cafe, one was instructed on how to order food using the best Parisian French. In addition, Fisher students surrendered 'passports" at the door to be eligible for three door prizes.

The hard work of the meeting management class produced a lively, fun-filled hour for everyone to preview life in Paris.



Holiday Ball

This year's Holiday Ball was held December 6th at the Cambridge Marriott Hotel. About one hundred and thirty students and their dates plus some faculty and administration members attended the festive event. The party began with a cocktail reception in lounge followed by a delicious buffet dinner and dancing to a d.j. What a perfect way to usher in the holiday season!

Holiday Luncheon

The annual holiday luncheon had a French flair to celebrate the coming FIRST trip to Paris. Delicious French food, music, and cabaret-style entertainment by some talented student songstresses highlighted the party. President Fisher read "The Night Before Christmas" and then introduced the special visitor - Santa Claus, bearing gifts for all.

Mardi Gras Night

The Green Team - the winners!

The Yellow Team gets ready to strike the pinata.

The Purple Team takes a break.

Fisher Mardi Gras night was February 11th. The festive decorations included violet, yellow, and green balloons and streamers throughout the Auditorium. The Cajun-style buffet dinner featuring jambalaya, sweet potatoes, and other exotic foods was capped by sinfully delicious desserts.

After dinner, everyone divided into teams and played games including musical disks, won by Tanya Domonte, and the limbo, won by Sonja Johnson. Fierce and rapid attacks brought down the pinatas which showered the room with candy. Another fierce attack popped all the balloons which tumbled down from the ceiling on cue. Other contests included creative and hilarious face painting and the culmination of a weekend-long scavenger hunt. It was a lively and fun-filled evening, thanks to Debby Eliezer, Traci Overstreet, and the Food Service Staff.
